Glenwood Springs, Colo.- A father, Junior Scott, and his 8-year-old son, Richard Leroy, went hunting in the mountains. Unsuccessful in their attempt to find a trail down from the shale rimrocks in the dark, they were forced to remain in the mountains overnight with the temperature in the middle 20's. Historic Appomattox Gave Unity and Peace to America

TIMES-VIRGINIAN

A Growing Newspaper In A Growing Town

A LIVE WEEKLY NEWSPAPER AT HISTORIC APPOMATTOX COURT HOUSE VIRGINIA

VOL. NUMBER 46 APPOMATTOX, VIRGINIA THURSDAY NOVEMBER 14, 1957 Subscription Rates: $2 Per Year

Father Parkleaf

by c. h. r.

I wondered how many of Appomattox people attended the Harvest Festival this year. I have some rough estimates, and would venture the guess that there would be the attendance of the county, other than school children, and virtually all of them, with favorable comment.

Mr. Berry, one of our excellent farmers, was in Saturday to see us a 4 lb. 1 oz. turnip he had grown. He made no claim that it was right at a record, but the size of this purple top was that of a nicely shaped and obviously tasty edible.

We are always delighted to hear from the activities of Appomattox people residing elsewhere. We have a card from our friend, Lester Lee, who lives at 11 North Hercules Ave., Clearwater, Florida, with a clipping from the Clearwater Sun, concerning a 6-pound son, Les. (Mrs. Furgerson will be remembered here as the former Miss LeGrand, daughter of Mr. W. J. LeGrand). The clipping reads as follows: "There was a special moment in the Furney household at 11 North Hercules Avenue last Saturday morning the 26th when Les went fishing with Bobby Clark and caught a big redfish near the Beach Causeway. Soon Orama reported by Son Orama Clark and Hazel Harris as one of the prettiest golden flies she has ever pulled from Florida waters. The 15-inch specimen was added to the city's fine collection of rare fish. On the afternoon young Les went back—this time for bass in the near his home. Enroute he had lead to the lake. It was the first time I ever saw a fish—not in a zoo,' Les exclaiming that he had dispatched the long wooden handle of the net. Skinned, stretched, it is now Scotch taped to the above a window in his room. C. Furney is with a engineering firm in Clearwater.

Our earlier generation, the days for jig or tap dancing was "Turkey in the Straw." It is difficult to keep your feet still when they played that stirring tune, but on the other night, it occurs that the favorite tap was "Tea For Two." That fully smooth number, well for tapping out the beat, I always show in which "Tea For Two" was introduced, back in 1925. My recollection is that it was named, "No, No Nanette," and that "Tea For Two" was the most popular number in the show.

We've been guilty of complaining that the terms of colors have undergone a revolution, and there are too many colors and so many of the different names, it makes for confusion. I have forgotten the date of names got a big shake up at the time of the "Pink Lady green." The late E. E. Ferguson, famed chemist, stated that the chemistry had made the use of the fantastically productive. He also said, I recall the mention of colors as: reseda, sage, olive, nile green, wallflower, heliotrope, robin's egg blue, Nile Red, now I have come to think that this business of creating a wide variety of color names has been going on for a long time. I am sure that from time to time, man experimented with to get many color pencils. I recall that in my college days the word to remember would recall of the names, and the seven colors of the rainbow. The work was: vibygyor. The seven letters, we could name: violet, indigo, blue, green, yellow, orange and red. Add the letters, unseen, on the right, and left, and the "spectrum."

The international voice fears on the market.

Signs 1-year pact as coach.

Publication rate: $2.00 a year; in advance.

Navy defeats Notre Dame in annual football match.

Coach Gordon Bragg's A. H. S. football team faces its toughest assignment of the season Friday night, when the Blue Hornets go to Danville for an 8:00 o'clock engagement with the Group One George Washington H. S. of that city.

The Blue Hornets will take along an undfeated record and the District Four, Group II championship.

A. H. S. has won nine straight games this fall, overcoming in order: Blackstone, Randolph - Henry, Virginia Episcopal School, Nelson County H. S., Amherst County H. S., Fork Union B Team, Fluvanna H. S., Brookville and Gretna H. S. The Nelson, Amherst, Brookville and Gretna games were league tilts, and gave Appomattox the title.

Appomattox scored five touchdowns Saturday night, to win from Gretna, there, 33 to 7.

Starting with the 1949 season, Coach Bragg's teams have built up an outstanding record at A. H. S.

According to a Times-Virginian compilation, the A. H. S. football record is as follows:

1949: won 9, lost 1
1950: won 4, lost 4, tied 2
1951: won 9, lost 1
1952: won 8, lost 1, tied 1,
1953: won 7, lost 2, tied 1
1954: won 7, lost 4
1955: won 4, lost 5, tied 1
1956: won 8, lost 1
1957, with one more game to play: won 9, lost 0, tied 0.

This makes an overall record for the past 8 seasons of 66 games won, 19 lost and 5 tied. This is undoubtedly one of the best records in the state, but leaves Friday night's final game as the challenge for the first undefeated season of Bragg teams.

MAYOR'S NEWS REPORT

Mayor C. T. Moses, Jr. today issued his weekly news statement as follows:

To the citizens of the Town of Appomattox:

I want to again congratulate and thank all of you fine people for your assistance and cooperation toward our fall Clean Up Campaign.

When raking and burning your leaves, please be careful and see that the fire stays under control at all times. Our volunteer Fire Company has already answered three calls this week, so I plead with you again to be very careful of all fires. Let's all see that our fire chief and his firemen are extended the proper courtesy at all times and that we do not delay them in proceeding to or returning from a fire.

The week of Nov. 10-16 is National Education Week, and I certainly feel that all of us would like to pay a special tribute to our school, superintendent, principals and all the teachers for the marvelous job that they are doing to educate our beloved children. Let's all make a special effort to see these fine people and thank them for a job well done.

With the help of you good citizens, I feel that we can sponsor a safety campaign here in Appomattox that will reap us great benefits. In order to get a good start on this, please see that we obey all traffic regulations and extend every courtesy that we can to the pedestrians and our friends driving the other car.

Please continue with your cooperative spirit toward making Appomattox a more beautiful and courteous community in which to live.

Sincerely,
C. T. Moses, Jr.
